An aerial photograph of a boat's wake in clear, turquoise water. The wake is a white, frothy trail of water that curves from the top left towards the bottom center. The water is a vibrant blue-green color with some white foam and bubbles scattered throughout. The word "CONTINUOUS" is overlaid in the center of the image.

National Credit Union
Administration

A panoramic night view of a Miami beachfront. The scene is filled with tall palm trees in the foreground. In the background, several multi-story buildings are illuminated with bright, colorful lights in shades of blue, pink, and red. The sky is a mix of dark purple and orange, suggesting a sunset or sunrise. People can be seen sitting on a stone wall in the foreground, and cars are parked along the street. The overall atmosphere is lively and tropical.
